POT LUCK DINNER

April 12--at the Lafayette Veterans' Memorial Building--no host cocktails at 6:00 P.M., dinner at 7:00 P.M. Esther Marchant will again coordinate the food contributions for this old time pot luck dinner. Lafayette Historical Society President Lou Repetto will graciously provide the wine for the dinner.

A very special program is planned with Mickey Meyers and Lou Borghesani relating their experiences--"Life in Lafayette in the 1930's and early 1940's".

The annual pot luck dinner is always a delightful high point of the Lafayette Historical Society year--make plans now to come--bring your family and friends!

the 1915 PPIE which Karl and Bronwen Heuer had on display during the evening. An especially interesting part of the program were the reminiscences shared by those in the audience who had attended the Fair. Many thanks to the Heuers and to Jim O'Connor for a very special program!

ORAL HISTORY from Angela Broadhead

A way of life, characteristic of the turn-of-the-century is rapidly disappearing. But in our community there are still many persons who remember that time vividly.

Our Oral History committee has set out to try to recapture some of their reminiscenses on tape recordings. Ranchers, merchants and teachers are but a few of those persons interviewed as part of the historical society program.

A partial list of those interviewed are Mrs. Irene Bunker, William McNeil, Mr. and Mrs. Charles Meyers, Margaret Bickerstaff Rosenberg, Serafino Rossi, Sr., LeRoy Starks and Louis Stein, Jr.

All of these transcriptions, and others, are to be found in the historical file cabinet at the Lafayette Library where they may be read during library hours.

The Oral History committee is actively seeking names of persons who can tell us more about our community. If you know of someone who is a long-time resident and who can tell us interesting facts about this area, please call Angela Broadhead, Bronwen Heuer, Joan Merryman, Betsy Willcuts, historical society board members of President Lou Repetto.
